

Now there are two ways to save money on your electronics purchases!

For the last few years, Farm Credit Services and Dell have offered employees and customers-members up to 10% off on purchases for computers and other major electronics. Now, Farm Credit Services and CDW Computer Centers have come together to offer an Employee Purchase Program (EPP) for your personal computing purchases with more than 70,000 hardware, software, and electronics products to choose on CDW.com.

With both Dell.com and CDW.com, you can place orders two ways: online or over the telephone.

DELL

Online:

1. Go to the Web site www.dell.com/ghc/flyer
2. Enter Farm Credit Services' EPP Access Code: **CS25031329**

By Phone:

1. Call Dell at 877-289-9886 or 866-535-3582 and mention Farm Credit's name
2. You will need to provide Farm Credit's EPP Access Code

CDW

Online:

1. Go to the Web site www.cdw.com/epp
2. Enter Farm Credit Services' EPP Access Code: **2EA267A7**
3. Fill out the required information to set up an online EPP E-Account

That's it! Each time you go to CDW.com and shop, all you have to do is log on to your E-Account and you will receive Farm Credit's special pricing!

By Phone:

1. Call CDW at 1-888-419-7208 and mention Farm Credit's name
2. You will need to provide Farm Credit's EPP Access Code

CUSTOMERS-MEMBERS CAN ORDER TOO

Customers can also take advantage of the discount pricing by logging on or calling Dell or CWD.

Note: on CWD only, If customers want to order online, they will need to send an email to Leslie Sleigh at lsleigh@e-farmcredit.com requesting that their email address be set up for purchase. Or they can view items online and call by phone to get the discount pricing.
